

Welcome from Colin Glaves the Club Captain

A very warm welcome to all visitors to what I believe is the finest golf course on the Yorkshire Coast..

The views of the North Bay and Scarborough Castle from the 1st tee and the Clubhouse are unrivalled and breath-taking and afford excellent photo opportunities.

Our golf course, a quite challenging par 72, is a mixture of rolling parkland with tree-lined fairways and demanding cliff top holes, especially when the wind blows off the sea. Enjoy the experience of our featured par 3 holes, the 7th, 11th and the 15th.

Course Manager Colin Fairley and his team ensure the course is kept in tip-top condition.

Our resident Caterer Peter Kirby and his staff are always pleased to provide breakfasts, snacks and meals for all appetites, whilst Sandra Moore, our Bar Manager, and her staff will be pleased to serve you at the bar.

Club Manager Joanne Duck is always pleased to hear visitors' views of our course and facilities.

We aim to make your visit to our Club and the Yorkshire Coast a memorable and unique golfing Experience!

Yours Sincerely
Colin Glaves
