

General Conditions of entry to club Competitions

All cards must be returned whether complete or not.

It is expected that every player who enters for an 18 hole Qualifying Competition intends to complete the round.

All cards must be entered in to the computer with scores for holes played even if a No Return. NR is for the hole where player does not finish the hole but are expected to complete the rest of the course as failure to do so effects other members due to the working out of the standard scratch for the day.

Since an incomplete card and a “No Return” may have the effect of increasing a player’s handicap, the club would be justified in refusing to accept a card or record a “NR” when the player has walked in after playing **only a few holes**.

Cards will not be issued to players when there is obviously insufficient light for them to complete the round.

Sympathetic consideration will be given to players who have had to discontinue play for any cause considered to be reasonable by the organizing committee.

Clauses 23 & 24 of the UHS gives clubs the discretion to deal with players who persistently submit incomplete cards or make “No Returns” if they consider they are attempting to **“build a handicap”**.

N.B. Clauses 23 & 24 of the UHS deal with “Review of handicaps” and “Suspension & loss of handicap” respectively.

Handicaps and Competitions Committee.
