

# Scarborough North Cliff Golf Club

## Clubhouse re-opening under COVID-19 Restrictions

Our priority during this time is to ensure as far as possible, the safety and wellbeing of all our members and staff. We would therefore ask members to assist us by adhering to the following guidelines when visiting the Clubhouse.

**The Bar will be open from 11am to 10pm daily with Catering available in the Clubhouse from 7am to 6pm. Catering will be provided after 6pm by prior arrangement only.**

### Before you visit

- Whilst we would love you to come in and see us before your game, if you are not going to do so then please do not arrive at the Club more than 15 minutes before your tee time.
- Playing groups should still be arranged prior to your arrival with names of all players entered into the BRS system.
- Access to locker rooms remains restricted to use of the toilet area only, as unfortunately this remains a government requirement.

### On Arrival at the Club

- Entry to the Clubhouse should be via the Main entrance only, the keypad will not be in use.
- Please sanitise your hands on entry to the building.
- You should wait at the marker point inside the door until being called forward to be served from the right hand side of the Bar.
- You will be asked to provide your name and contact number which will be retained for a period of 21 days and passed on to the NHS Track & Trace service if required.
- Drinks orders only will be taken at the Bar and payment should be contactless wherever possible.
- You will then be asked to move to the left side of the Bar to collect your drinks before being seated.
- Table service will be provided for Food & Hot drinks (Cash Payment only)
- If you need to return to the Bar please follow the arrows to return to the queue.
- All tables and chairs will be sanitised between use.
- If you require use of the disabled toilet then please ask a member of staff as the 19th will be closed.
- **Only 2 households are permitted to meet indoors and 6 outdoors so please do not re-arrange the furniture and ensure that social distancing is maintained at all times.**
- We have a maximum capacity of 36 seated in the main lounge, 16 seated in the restaurant and 26 outdoors on the patio. Once this limit is reached, we would kindly ask you to wait outside until space becomes available.
- When you decide to leave then please exit via the patio door.

**It is not our intention to impose time limits on use of the Clubhouse however, we will monitor this and would kindly ask that you act responsibly, showing consideration towards other members, to allow everyone the opportunity to come into the Clubhouse and feel safe in doing so.**

**IF YOU ARE SHOWING ANY OF THE SYMPTOMS RELATED TO COVID-19 THEN PLEASE STAY AT HOME AND DO NOT PUT OUR STAFF AND YOUR FELLOW MEMBERS AT RISK.**

**This is new to everyone and staff are nervous of returning to work due to the risk of COVID-19. Please remember that they are doing their best to work safely and protect everyone including themselves, so please be kind!**

**THIS ISN'T GOING TO BE FOREVER BUT IN THE MEANTIME WE MUST ADAPT TO THIS 'NEW NORMAL' TO KEEP EVERYONE SAFE, WHICH WILL THEN ALLOW FURTHER RESTRICTIONS TO BE LIFTED IN THE FUTURE!**
